Order 0.0-0

Type D5GE1/pt=1023456c789nN/l=e
Printed 3-Jan-2004 [as]

Table 1: Aspects between moving planets in time order

Times in Universal Time (UT)
The positions refer to the second planet
Fast planets are listed before slower ones; planets before the lunar node.

Table 2: Aspects between moving planets, sorted by the slower planet

Times in Universal Time (UT)
The positions refer to the second planet
Fast planets are listed before slower ones; planets before the lunar node.
